Section E: Open-Ended Comprehension (6 marks)

Read the passage carefully and answer the questions that follow.

One day, two friends named Henry and Roger were walking through the forest. The sun was shining brightly. They knew that the forest was a dangerous place to explore. Both of them promised to stay together and be united when faced with danger.

Suddenly, they saw an enormous bear approaching them. Henry 5
climbed up a nearby tree immediately. Roger did not know how to climb the tree. He felt shocked and helpless. He decided to lie down on the ground and pretend to be a dead man.

The bear came near Roger. It smelt his ears. Then, it left him.
Henry came down from the tree and asked Roger, "Roger, what did 10
the bear tell you in your ears?"

Roger replied, "The bear told me a true friend will always keep his promise." Henry realised his mistake and apologised to Roger. He felt ashamed of his actions.
