When Tom got to the park, he was surprised to see that it was crowded. He thought there was a carnival. He spotted many of his teachers and friends there. Everyone was holding a garbage bag.

Tom asked his friend, Mina, what was happening and she replied, "Everyone is here to clean the park." Then she asked him if he would like to help. Tom nodded his head and said, "This is going to be fun!"

Tom and his friends picked up food wrappers, empty drink cans and even unfinished food! In one hour, their garbage bags were filled with a lot of rubbish. They were so busy that they did not have time to horse around.

When everything was done, the teachers loaded the garbage bags onto a truck. Everyone was pleased. The park looked clean and green again. Then, Tom and his friends helped to put up signs around the park to remind everyone to throw rubbish into the bins and to keep the park clean.
