Read the following diary entry carefully and then answer the questions.

Saturday, 22 October 2005 Dear Diary Yesterday, Mother and I went to the Shop-Fresh Supermarket to do our weekly shopping It sells everything from fruit to shoes. Mother needed to buy a lot of food there. She has to cook many dishes for my birthday party tomorrow. After looking through the shelves, we filled our trolley with many food items. Mother also bought bananas, apples and other fresh fruits. I think she is going to make her famous fruit salad! While waiting to pay for the fruits at the cashier, Mother quickly went to get a doll for me. She knew I would be glad with the present. Mother told me to keep the fruits in the refrigerator once we got home. I can't wait to help mother with the cooking! Lucy Where did Lucy go to do her shopping? 41.
