

Nan Hua Primary School  
Topical Test 3 – 2011  
Mathematics  
Primary One

Name: \_\_\_\_\_ (      )

Class: P 1 \_\_\_\_\_

Date: \_\_\_\_\_

Duration: 45 min

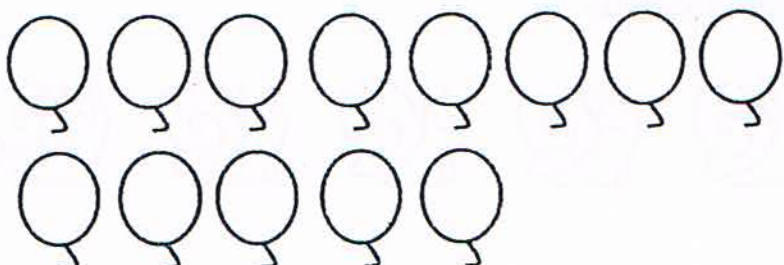

Marks:

Parent's Signature: \_\_\_\_\_

**Section A** (7 × 1) marks

1. Count and write the correct **numeral** in the box.

	
--	--

2. Write in **word**.

<b>20</b>	_____
-----------	-------

3. Arrange the numbers in order.

Begin with the **smallest** number.

--	--	--	--

smallest

4. Ring the **6th** snail from the right.

5. Cross out ( X ) the **third** sheep.

fifth

Look at the table below and fill in each blank with the correct answer.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20

6. 2 more than 9 is \_\_\_\_\_
7. \_\_\_\_\_ comes just before 19.

**Section B** (6 × 2) marks

8. Circle the number that is **greater than 6** but **less than 12**.

9. How many **more** apples (  ) must you draw to make 10?

Draw them in the box below.

10. Study the number pattern. Fill in the missing numbers in the boxes.

11. Write a **subtraction sentence** for the picture below.

A rectangular box containing two rows of baseballs. The top row has 6 baseballs. The bottom row has 6 baseballs, with 5 of them crossed out with diagonal lines. Below the box is a subtraction sentence template: a square, a circle, a square, an equals sign, and another square.

=

12. Circle the number sentence that **does not** make 11.

$$4 + 7$$

$$9 + 2$$

$$8 + 4$$

$$6 + 5$$

4 children are in a queue at the ice-cream stall.

13. Study the picture above carefully. Then circle the correct answer.

(a) Sam is the ( second , fourth , third , first ) person in the queue.

(b) ( Amy , Jane , Tom , Sam ) is second from the left in the queue.

**Section C** (2 × 3) marks
