Read the passage carefully and answer the following questions.  
Your answer must be based on the passage.

Percy lived in a peaceful neighbourhood. He had many friends there. One morning, after a good night's sleep, he woke up, stretched and purred.

Percy entered his owner's kitchen and had a good breakfast. After that, he waited at the back door for someone to open it so that he could go out.

Feeling excited, Percy could not wait to play with his friends. He looked for his friend, Bud, the dog. Bud was still sleeping and did not want to play with him. He visited Mother Bird and her babies instead. However, Mother Bird was busy feeding her babies with some worms. They did not notice Percy at all.

Percy then walked across the street and visited his friend, Tom, who was lying on the grass. He stood up at once. "Meow!" greeted Tom. Percy responded with a 'meow' too. After a whole morning of playing with Tom, Percy went home and took a nap.
